Welcome to the Quilt Trail in Northeast Tennessee!

We invite you to take a trip back in time as you slow down and enjoy the scenic countryside of our region. For your pleasure we have displayed the artistry of the traditional quilt on a backdrop of historic and beautiful barns. Take your time, pack a lunch or better yet stop at a local country store or diner to enjoy some local flavors. You will find a variety of historic sites, produce stands, shops, galleries and other places to entertain you along the way.

Most of the quilt patterns on display were selected from a treasured family quilt that has a connection to the barn you are viewing. For more information about the history of the farms and the quilts visit our website at www.quilttrail.org. You will also find out about some special places along the way you may want to visit.

Clothesline of Quilts Three State Project

Donna Sue Groves of Adams County Ohio started this project by painting a barn based on her mothers quilt. You can see the original project at <http://www.adamscountytravel.org/> or our sister project in Tennessee at <http://www.clinchpowell.net/quilts.html>.

Safety & Respecting Private Property

When viewing and enjoying the Quilt Trail use caution when slowing or stopping near a site. Stopping along busy roads can be dangerous and illegal. All sites are on private property and should be viewed from the public road unless otherwise indicated at the site if it is a business open to the public. We are indebted to our barn hosts for their generosity.
